

Milroy Sets Example for Rush to Emulate

True to Her Reputation for Doing Things, Community at Red Cross Meeting Sunday Night Subscribes \$2,565—Twenty-five Persons Giving \$50 Each, Eight \$35 and Twenty-four \$25.

BOOSTERS SET GOAL AT \$4,000 TODAY

Meetings at Gowdy, Plum Creek, Glenwood Mark Red Cross Activities—Canvassers Busy

True to her reputation for doing big things, Milroy Sunday night set a pace hard to follow in the county's Red Cross War Relief campaign, which opened today, by subscribing \$2,565 to the fund.

Thrilled by the immensely fine showing they made at last night's meeting, Milroy Red Cross workers started out this morning to make the fund from Milroy and vicinity \$4,000.

The following facts stand out in the wonderful outburst of patriotic generosity which was manifested:

The sum subscribed—\$2,565—is more than three times the Milroy auxiliary's apportionment.

The subscriptions were made by ninety-nine persons.

Twenty-five persons gave \$50 each.

Eight persons gave \$35 each.

Twenty-four persons gave \$25 each.

The remainder of the subscriptions were \$20, \$15, \$10 and \$5.

None under \$5 were asked for.

It was reported at the meeting there were 495 members of the Milroy auxiliary and more than enough members were quickly enrolled to raise the membership to 500.

The Milroy meeting does not represent the Red Cross activity over Sunday by any means. In practically every pulpit in the county an appeal for Red Cross relief was made at one or the other services, an auxiliary was formed at Plum Creek and special meetings in the interest of the War Relief fund were held at Gowdy and Glenwood.

Twenty-five persons were present at the meeting at the Plum Creek church, the crowd being small because of many other things in that vicinity yesterday afternoon. Eighteen joined the Red Cross and the following officers were elected: Will McMillin, chairman and treasurer; Mrs. Ada Billings, vice-chairman; Mrs. Grace Kennedy, secretary. The Rev. C. M. Yocum and E. B. Thomas addressed the meeting.

A. L. Gary, Judge Will M. Sparks and the Rev. W. M. Whitsitt addressed the meeting at Gowdy, where there are a number of members affiliated with the Orange township auxiliary located at Moscow. The meeting was held in the Methodist church. The township was organized for the War Relief campaign by dividing it into districts and canvassing teams will see every person in the township.

Judge Sparks and Mr. Gary made the appeal for the Red Cross War Relief at a mass meeting in the Glenwood M. E. church last night following a Childrens day program. That community promises to come up with its share.

The meeting at Milroy last night which electrified the whole county by its wonderful response, was held at the school house auditorium, which was packed with people. Addresses were made by Mr. Thomas and Robert E. Mansfield.

Milroy Reports Biggest Oversubscription in State

In reply to a telegram this morning from E. B. Thomas, telling of Milroy's wonderful showing, the following message was received about ten o'clock:

Indianapolis, Ind.,
June 18, 1917

E. B. Thomas,
Chairman Rush County
Red Cross.

Dear Sir:-

Heartiest congratulation.
Biggest oversubscription yet.

B. F. BENTLEY,
Ind. Dir. Am. Red Cross.

one of the active Red Cross workers in the community, conducted the meeting when the money was being raised. It was due to his personal work and that of Claude Crane that the meeting was so largely attended. They went over the whole of Anderson township and told every person what the meeting was for and what Anderson township wanted to do. Much of the success of the Milroy campaign is also due to Wylie McKee, the Anderson township member of the county chapter's board of directors, and his host of helpers.

Several musical numbers were given and in the midst of the meeting Milroy Scouts gave a flag drill and recited Wilbur D. Nesbit's poem, "Your Flag and My Flag," which was a very inspiring thing.

Numbered among the more than five hundred members of the Milroy auxiliary are the oldest member and youngest member in the county, as has been recounted before, as well as the one family which has more members in the Red Cross than any family in the county. It is the family of Joe Green which bears this distinction, and nine of them have joined the Milroy auxiliary. Several other families in the county are going to try to surpass this record.

The campaign became active here in Rushville today when several teams started on their work. Inquiry was made this morning about Judge Sparks and it was found that he was out bright and early this morning with his canvassing team going over the territory assigned to them.

MEMORIAL SERVICE HELD

Carthage Odd Fellows Hear Address By Knightstown Minister Sunday

A large number of Odd Fellows from this city headed by the Odd Fellows band participated in the memorial services of the Carthage Odd Fellows lodge Sunday afternoon. The address was delivered by the Rev. Mr. Runkle, pastor of the Knightstown Methodist church. The services were held in the Carthage Methodist church. A large delegation was also present from Knightstown.

SPEEDER FINED

Emert Hogle of Morristown paid a fine of \$1 and costs in police court Sunday night on a charge of speeding. Hogle was caught "hitting it up" in West Second street by Police-man Seward and promptly paid his fine.

COMMITTEEMEN MEETING

Republicans Arrange for Special Election on June 26

At a meeting of the republican precinct committeemen Saturday night with County Chairman Fom Riggs, arrangements were completed for the special election June 26 to name a congressman to succeed the late D. W. Comstock. The meeting was well attended. Richard N. Elliott, of Connersville, the republican candidate attended the meeting. Every effort will be made to get out the republican vote. The plans for the speaking campaign were also announced. The campaign in Rush county will open Tuesday night when Senator Jones of Washington state speaks at Carthage.

2 SUITS ARE DISMISSED

C. M. and Harry Robbins, Charged With Embezzlement, Escape Trial

The criminal case against Charles M. Robbins and Harry Robbins, charged with grand larceny and embezzlement was dismissed today in circuit court on motion of the prosecuting attorney, who gave a lack of evidence as the cause. Both men reside in Danville, Ind., and the prosecuting witnesses was Oneal Brothers of this city. The Robbins brothers were at one time agents for Oneals and it was charged that they appropriated some of the firm's money for their own use. The indictment was returned by the grand jury.

WOMEN ORGANIZE TO PRESERVE FOOD

Each Township Chairman to Appoint Committee Who Will Dry and Can Excess Produce

DEMONSTRATION HERE IN JULY

Each member of the women's county food conservation committee, at the meeting Saturday afternoon, was appointed to represent her township and was given the power to appoint other members of her township committee, the number to be determined by each township. Each committee obligates its members to conserve all the excess food in the respective townships.

Anderson township, under the leadership of Mrs. Charles T. Davis, will enlist the service of girls to gather the supply and take it to homes of the committee members to be canned and dried for the use of American soldiers. In the fall when large amounts of fruit and vegetables are available, the products will be taken to the school houses and preserved by a number of women, who agree to work when the produce is brought in. This plan will likely be adopted in the other townships.

The Rushville township committee, headed by Mrs. W. M. Sparks and Mrs. R. L. Tompkins, will have a canning and drying demonstration by a Purdue expert at the Graham Annex July 19 and 20. The processes not thoroughly understood by women generally will be demonstrated. The demonstrations will be free to the public and it is hoped the women of the county will take the opportunity offered to learn.

MEMBER OF COMPANY B PASSES THE TEST

Tom Price of Greensburg Transferred to Quartermasters Corps—16 Men Are Needed

131 SWORN IN; 3 MORE READY

Tom Price of Greensburg, a member of Company B, has passed his examination and will be transferred to the quartermaster corps. By his enlistment in the local company Price was able to take the examination, which he passed.

Counting the loss of Price the local company needs just sixteen men to complete the company to full war strength. Capt. Kiplinger hopes to obtain the required men before the week is over. Some of the officers will go to Connersville tonight on a recruiting campaign. The company now has 131 men sworn into service and three more awaiting to be sworn in.

The company will hold the usual Wednesday night drill in the city park.

Mrs. Mary Reed of Glenwood is in a critical condition suffering from uremic poisoning.

TWO BOYS RIDING MOTORCYCLE HURT

Harrold DeBois and Herbert Merrill of Connersville Struck by Unknown Motorist East of Here

POLICE ARE LOOKING FOR HIM

DeBois is Crippled For Life and Merrill Will be Several Weeks Recovering From Injuries

Blinded by the lights of an approaching automobile and crowded off the road to a point eighteen inches from the grass line, Harrold DeBois, 20 and Herbert Merrill, 19, both of Connersville, riding on DeBois, motorcycle, were struck by the auto and hurled into the ditch, receiving injuries. The driver of the automobile did not even stop to see what damage he had done and the police are looking for him.

The two young men were approaching the city from the east. The accident happened Saturday night about nine o'clock just east of the fair grounds. DeBois may be crippled for life as the result of the accident and Merrill will be many weeks recovering. DeBois' left foot was badly mashed. The bones in the arch of his left foot were broken and some of the small bones in the ankle were fractured. It may be that he will lose the foot.

Besides this injury he was badly bruised. Merrill sustained a blow on his upper lip and when brought here the lip was swelled so that he could not talk. The ligaments in one of his legs were torn so badly that he could not walk.

The men were rendered unconscious and were found at the side of the road by Will Morgan, who resides near the scene of the accident. How long they had been there is not known, but it is not believed very long as Mr. Morgan heard the crash and later the groans of the two men, and then investigated. DeBois, the driver of the motorcycle, when he recovered consciousness, recalled that the driver of an approaching auto kept dimming and then shining his front lights and thus believes that the driver saw the men on the motorcycle. The motorcycle riders gave the machine plenty of room but the driver of the auto kept all of the road.

The left side of the motorcycle was badly damaged, showing that the auto struck the motorcycle a hard blow. The men were brought here where they received medical treatment and were taken back to Connersville on the last car Saturday night. Merrill, formerly lived in Shelbyville and has been working in Connersville for some time.

MRS. RACHAEL GINN DIES

Death Comes Today After Operation for Tumor and Complications

Mrs. Rachael Ginn, 44 years old, died this morning at three o'clock following an operation for tumor and a complication of diseases. Mrs. Ginn was the daughter of Mr. and Mrs. Josiah Bishop of this city and was widely known here, although having spent the last few years in Indianapolis. Besides her parents she is survived by four brothers, W. C. Bishop, Thomas S. Bishop, L. R. Bishop and Estelle Bishop of Indianapolis and one sister, Mrs. Greeley P. Mauzy.

The funeral services will be conducted Wednesday afternoon at two o'clock at the Josiah Bishop home, 1021 North Main street by the Rev. C. M. Yocum and burial will take place in East Hill cemetery.

A ten pound baby boy was born to the wife of Roy Evans Saturday. The baby has been named John Ferguson.

NONE BADLY HURT IN C. I. & W. WRECK

Injured Persons Are Brought Here From Julietta Sunday and Sent on to Destinations

STEEL COACHES SAVE LIVES

Broken Brake Rod and Not Spreading Rails as First Thought is Believed to be Cause

Despite the fact that five heavy coaches of the eastbound C. I. & W. passenger train due here at 3:40 o'clock left the track and turned over Sunday afternoon near Julietta no one was seriously hurt. The coaches were of steel construction which probably prevented a large death list.

The injured were all brought to this city and held here until a train could be detoured, and were then sent on to their destinations. The most seriously injured were:

Mrs. Emma Englebert, 47, 3419 Harrison street, Chicago, right arm bruised and shoulder injured.

A. J. Hamilton, 44, Connersville, right leg injured.

Mrs. Hilda Moebus, 20, Hamilton, Ohio, bruised on head and right hip injured.

The accident occurred a short distance west of Julietta. The train was running between 30 and 35 miles an hour. All of the coaches left the rails and turned over on their sides. They were scattered to the right and left along the track. The engine remained on the rails, giving rise to the theory that a broken brake rod caused the wreck and not spreading rails.

Investigators for the railroad company believe that had the rails spread the engine would not have remained on the track. Traffic on the train was light but even the few passengers on the train received only cuts and bruises. The flying glass did very little damage and the passengers sustained their bruises from being thrown against the sides of the car.

The train left Indianapolis at 2:35 o'clock and the accident occurred at about three o'clock. The west bound train leaving here at 2:30 o'clock ran up to the scene of the wreck and after first aid had been given those passengers needing medical attention, they were brought on to this city, arriving here about six o'clock last evening. A physician here made an examination of the passengers and found only the three, who required any special attention. Mrs. Englebert's right arm was badly bruised but will not cause her any great amount of trouble. Hamilton, the Connersville man, was not so bruised that he could not walk. Many of the women suffered from the nervous shock.

Work of clearing the wreckage continued throughout the night and traffic was continued about noon today. Trains were detoured from this city to Greensburg over the Big Four.

NELLIE MULL, 14, IS DEAD

Daughter of Mr. and Mrs. J. Arnold Mull Expires in Walker Township

Miss Nellie Mull, 14 years old, daughter of Mr. and Mrs. J. Arnold Mull, died Sunday morning at six o'clock at the home of her parents in Walker township, following an illness from a complication of diseases. Several months ago she underwent an operation and for a time improved but for the past few days had been in a critical condition.

She is survived by her parents and several brothers and sisters. The funeral services will be conducted Tuesday afternoon at two

o'clock at the residence and burial will take place in East Hill cemetery.

DIES SUDDENLY ON SUNDAY

Mrs. Donald Mull Expires of Hemorrhage of The Brain

Mrs. Myra B. Mull, 27 years old, wife of Donald Mull, trustee of Walker township, died suddenly Sunday morning at five o'clock at her home in Homer from a hemorrhage of the brain. Mrs. Mull retired Saturday night apparently in her usual health and was awakened Sunday morning with a severe pain in her head. She died before medical attention could reach her. Coroner Green investigated.

She is survived by her husband and three children. The funeral services will be conducted Tuesday morning at ten o'clock at the late residence in Homer by the Rev. C. M. Yocum and burial will take place in East Hill cemetery.

REO

If Clean Hands Count— Then Reo the Fifth

IT TAKES ALL THE FUN out of a motoring trip when you have to fuss with a motor or transmission or an ignition system.

SOILED HANDS, soiled clothes, a ruffled temper—and you wish you hadn't gone.

REO OWNERS NEVER are seen tinkering with their cars on the road. Not even with tires. For Reos are made better—tired more liberally to ensure you against just that.

REOS are accessible to the last degree.

BUT ALSO THEY ARE so well and so carefully made you might own a Reo the Fifth for years without ever discovering that quality unless you read it in an ad.

FOR ALMOST NEVER do you need to get at a Reo part.

BUT IF YOU SHOULD ever need to make an adjustment or replace a part, you'll find you can do so with ease and expedition.

THE REO IDEA from the first was to make the most dependable automobile in the world.

THAT COULD BE DONE only by using the best of materials everywhere, and then making and assembling them with the utmost accuracy.

ASK ANY REO OWNER how long it is since he lifted the hood of his Reo—how often he has seen the inside since he owned his car.

HIS ANSWER will decide that question for you.

THE LOW UPKEEP cost of Reos—and Reo cars and trucks are famous for their low cost of upkeep as well as of operation—is due to the fact that they are made right in the first place and then to the ease with which any adjustment or replacement can be made.

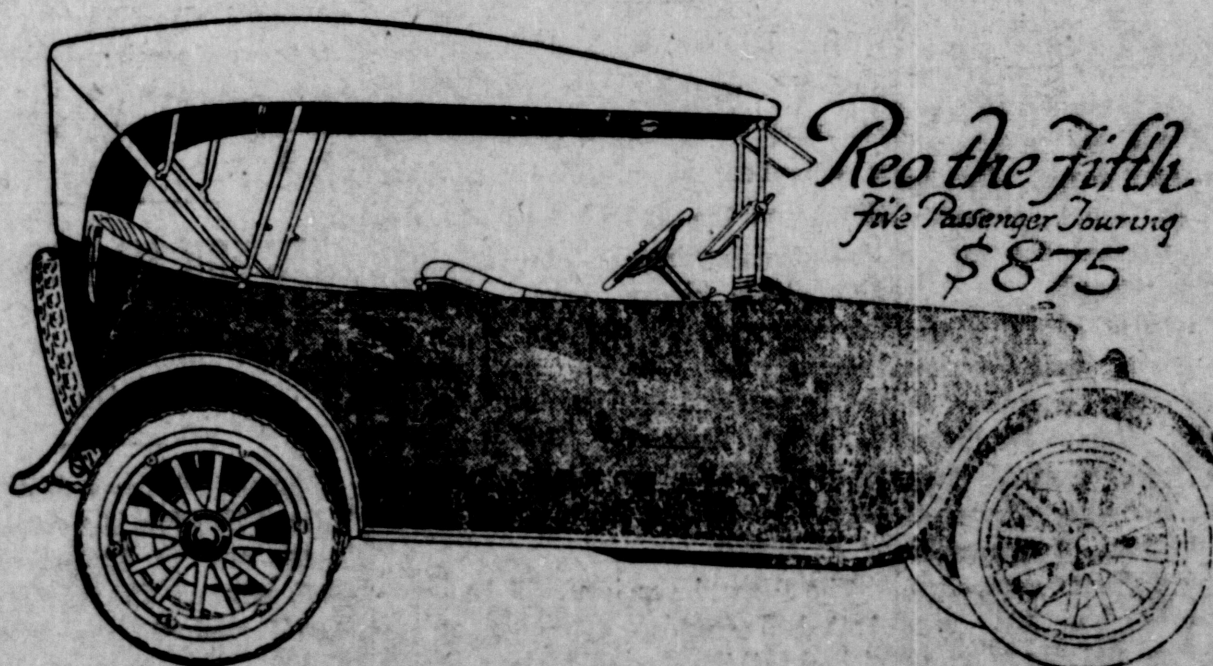

ASK REO OWNERS ALSO about dependability and gasoline economy.

THEN HURRY and place your order—for there won't be—can't be—enough Reos to go 'round.

Princess — Tuesday

Amusements

The Lyric offers the usual five reels tonight. The first is a drama "Bill Brennon's Claim." Neal Hart is featured and it is said to be a thrilling western drama. The second is a comedy, "Little Bo Peep." Dan Russell is featured and the name of "Rushville" figures prominently in the story. It is not this city, but the story will fit in just the same.

The Princess will show Gail Kane in the feature drama, "The Red Woman" for the feature tonight. The thrills and romance of Mexico constitute the basis for the story. In addition "Ford Weekly" will be shown. Tomorrow Anita Stewart will be seen in the drama, "The Glory of Yolanda."

A new co-star combination is seen in, "The Hunting of the Hawk," at the Gem tonight. The combination is William Courtenay and Marguerite Snow. The story deals with gentleman crooks and secret service and with thrills, romance and adventure. Tomorrow the next chapter of, "The Purple Mask," will be shown.

Your Responsibility

Get this picture—let it sink in. Then sit down and determine what you are going to do about it. Its happening every day, every hour, every minute—when the big battles are on. It took him just as he went over the trench parapet—took him full in his bare and muscular throat. It was hardly bigger than those rubber erasers tinned to the end of lead pencils. But with the driving power of high energy behind its steel jacketed nose, it was an altogether competent and devilishly capable agent of destruction.

He lay quite a few yards ahead of the trench, where his rush had carried him. The morning drew toward noon. With night came the beginning of his torment. First it was thirst, then fever, then delirium. Always his spilling wound burned and throbbed. Even on the second night with the rain beating down upon him, it glowed like a kiln. By the third day his agony spoke in screams. A stretcher party found him and trundled him away, down through the line of Red Cross units, from dressing station to field base, eventually to Paris. He was French but he was fighting our fight. He was French but a few months from now his counterpart may be an American. There are bullets enough for all. He may be a boy you know, perhaps a neighbor's boy, even our own—fighting our fight. Will you help him, when our fight has broken him, to fight his? Will you help him when his young body and vivid force are spent and shattered, to retrieve what he may?

Every man, woman and child in Rush county can give this aid by

subscribing to the American Red Cross next week, when the big drive to raise \$10,500 for Red Cross work here at home and across the sea, begins. The American Red Cross is the wounded soldiers' truest ally. It is his minister and guardian. It is his hope.

If you can only spare a dollar—give it. But make it five, ten, fifty or a hundred dollars if you are able. No limit is placed on the individual subscriptions. The appeal of the American Red Cross is put up to all the people—give what you can. If you can't go you can give. Those going are giving immeasurably more. Some must go but all must give.

Up To Us To Win

About the only danger that could threaten the success of our arms in the war upon which this country is launched would be a minimizing of the importance of the work before us.

After almost three years of war, after pouring out blood and treasure until nearly bankrupt in both, the allied nations yet seem almost as far from victory as at the beginning. Their leaders admit the terrible destruction wrought by the U-boats, and frankly rejoice that this country has elected to cast its lot with them, practically admitting that without our aid victory would still be far in the future.

Now that we are committed to the fray it should be our single aim to carry it to a successful issue. This will never be done by half hearted measures. What the allies need is material assistance—money, food and men. These we must furnish to the limit of our resources. We must pour money into their coffers; we must dispatch to their shores every pound of food not absolutely needed to sustain life here; we must send to France a tremendous army that, added to those of the allies, will by its sheer weight of numbers crush out all opposition.

Let our part in the war be short, sharp and decisive. We must prove ourselves AMERICANS, and not slackers.

Stands By First Amendment

The continued freedom of the press has a strong friend in Representative Edward E. Browne of Wisconsin, who believes that no man is wise enough to say how 100,000,000 of his fellow citizens shall speak or write. In the words of Mr. Brown "A republic flourishes on criticism, while a monarchy withers." Sound public opinion cannot be formed unless the people have access to the facts, and when a government bases its action on public opinion that has been molded by those in power its judgment is worthless. Congressman Browne is impressed with the fact that the leading men of England have denounced the censorship that has been in effect there since the beginning of the war, and lay England's shortage of food, delay in preparedness, and defeats on the battlefield to that cause. Mr. Browne is determined to do what he can to prevent a repetition of those disasters in this country.

Tucson, Arizona, so far as is known, was the first city in the United States to raise its apportionment for the Red Cross War Relief. With only a population of 20,000, the city subscribed \$25,000 even before the campaign began. We are approximately the same number of souls in Rush county and we are asked to contribute \$10,500. Can't we do it?

Farmers will see that there is plenty of food produced in this country, but they cannot keep it out of the hands of the speculating hogs. Governmental action now will save trouble later.

A Barnacle: The fellow who won't fight, won't work, don't help the Red Cross.

We hear less these days of war brides. "War grooms" have been occupying the spotlight.

Women's bathing costumes this season are very fetching, but it requires a powerful telescope to find anything to fetch.

If prices continue their soaring we can go naked if need be, but we can't eat wind or wear air.

Washington — Gerald Hays brought suit for \$20,000 against a hardware company when a cart-ridge sold by the company exploded and Hays lost an eye.

NO CELEBRATION FOURTH

County Council of Defense Votes Down the Proposal

The County Council of Defense unanimously voted down, at a meeting in the court house Saturday afternoon at four o'clock, a proposal to hold a celebration here the Fourth of July and formally present the flag to Company B of the Fourth Regiment, I. N. G. The decision not to hold a celebration of any sort was reached after it was found that Former Senator Beveridge, who the council wanted to make the address, was in Massachusetts for the summer and could not come. A fund has been raised and a flag ordered for the company.

T. M. GREEN'S MOTHER DIES IN CALIFORNIA

Body Will Arrive Here Thursday Morning for Funeral and Burial Will be at Knightstown

LEFT THIS COUNTY IN 1897

Mrs. Elizabeth A. Green, age eighty-six years, widow of the late Samuel Green and mother of T. M. Green of this city, died Saturday morning at the home of her son, Rufus Green, at Stanford California, and the body will arrive here Thursday morning at six o'clock for the funeral and burial. Short services will be held at the home of Mr. Green in East Fifth street Thursday afternoon at 1:15 o'clock and the burial will take place in Knightstown where other members of her family are buried. Short services were held in Stanford Sunday.

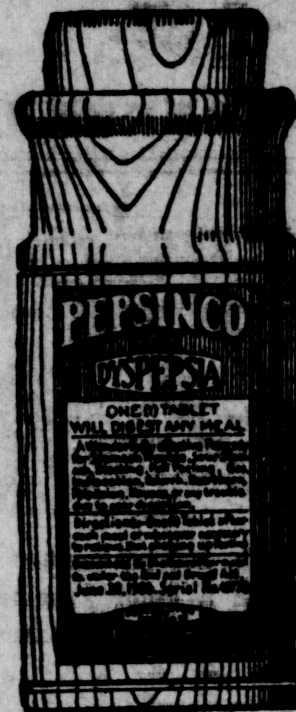

Mrs. Green was born in Kentucky and moved to this county at the age of three years with her parents, Mr. and Mrs. Green at one time lived on the farm now owned by Augustus Winship and later moved to Center township. Mr. Green died twenty-one years ago last April and for the last twenty years Mrs. Green had been making her home with her son, who is a professor in Stanford university. Mrs. Green would have been eighty-seven years old September 12.

ROOSTERS NOT HONORED

Indianapolis Ind., June 18.—Roosters, for the first time in their history, have a week set aside and named after them. But "Rooster Week," which started today, isn't especially designed to honor the roosters. On the contrary its purpose is to have all poultry growers kill off their roosters in order that the summer supply of eggs may not be endangered. Each year thousands of dollars is lost in the egg supply of the state because the fertile eggs spoil soon after layed.

RED + CROSS

WAR FUND \$100,000,000

RUSH COUNTY'S QUOTA \$10,500

To Be Raised Week of JUNE 18th to JUNE 23rd

The President has appointed a War Council to handle and distribute this fund, the personnel of which guarantees an economic administration. The chairman of the War Council is Henry P. Davison of J. P. Morgan & Company of New York, and associated with him are men of the highest business and executive ability who are giving to the Government their time without remuneration of any kind.

This fund guarantees to the American soldiers in this country, and also in Europe, the highest degree of care and protection that skillful surgeons, physicians and nurses can give.

In order to assist the Rush County Chapter in raising \$10,500, the business and professional men of Rushville, whose names appear in the accompanying list, have agreed to give to the Red Cross two per cent of their cash business, and one per cent on all accounts collected during the week beginning Monday, June 18, and ending Saturday, June 23.

If you are contemplating any purchases in the near future, make them during this week.

If you owe an account to some business or professional man, whose name appears in the list, pay it during this week.

This generous offer involves no little sacrifice on the part of the merchants and professional men, and the people of Rush County should do their part by making liberal purchases, and in the payment of their accounts.

You will receive full value for your purchases, and at the same time contribute to this great humanitarian cause.

Mr. and Mrs. Ray Lakin are entertaining with an elaborate dinner party today at their beautiful home in North Harrison street, honoring Mrs. C. C. Goddell of Chicago. A color scheme of pink and white was carried out to the last detail in all of the decorations of the home. A huge bouquet of pink and white roses centered the beautifully laid table, on which the elegant three course dinner was served. The guests included Mrs. Goddell, Mrs. Grant Gregg and son Raymond, Miss Mary Jackson, Mrs. C. D. Lakin and John Moore.

The W. R. C. have arranged a most inspiring program for their meeting Wednesday afternoon at 2:30 in the assembly room of the court house, which is as follows: "America," in chorus; "Star Spangled Banner," by Mrs. Derby Green; paper by Mrs. Frank Jones; reading, "Drum Corp," by Russell Perin; recital, "The Young Army," by four little boys; reading by Mrs. Lewis Steffy; "God be With You Until We Meet Again," sung in chorus. The benediction will conclude the program. The public is cordially invited to attend.

Honoring her eighth birthday, Jane A. Megee, assisted by Katherine Blount, Dorothy Wheeler and her sisters, Edna Anna May and Imogene Megee, entertained with a birthday party, this afternoon at her home in West Eighth street. A color scheme of red and white was carried out in the rooms, and a large birthday cake lighted with eight red candles was used to center the dining table. Red candles in crystal

holders marked the places for the following guests: Katherine Green, Olive Logan, Laurett Abercrombie, Margaret Webb, Militine Cross, Elizabeth Wagoner, Jesse and Ruth Allen, Dorothy Blount, Eleanor Stiers, Martha Wyatt, Francis Sherman, Katherine Blount, Dorothy Wheeler, Mary Frances Spivey, Joe Ed Dickman and Carroll Gantner. After the splendid luncheon, the guests were entertained with games and contests.

? NOW WILL YOU LISTEN ?

The prices on buggies are advancing every day and there is no way to stop it. The only remedy is to buy where they have a supply that was purchased before any advance was placed on them. I have the buggies and the price is the same as it was the first of the year. Do you want to save some money on a buggy? If you do, see me. Then again I want you to listen—I have two cars of storm buggies bought. One car will be in about July 1st, and they are the well and favorably known, Zimmerman line, the one line of buggies that no dealer can tell you is not the best to be had. The Zimmerman buggy is the best built buggy and has been for years, and is well known in Rush County, and every man that ever owned a Zimmerman buggy will tell you they give satisfaction. The price I am able to quote you on these storm buggies will interest you, but don't wait until these are sold before you investigate the proposition. Come in now, we have a sample on the floor and will take your order for one and you can get it any time.

A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Rushville people.

Mrs. Lizzie Boren, 840 W. 9th St., Rushville says, "About six years ago I began to have trouble with my kidneys. The kidney secretions were very annoying in passage and the trouble kept getting worse. Doctors said it was gravel but none of them ever did me any good. A short time ago I heard of how someone else was cured by Doan's Kidney Pills, so I got a box at Wolcott's Drug Store. They helped me and I kept on using them. I have taken four boxes so far and the pain has left and I feel a great deal better."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Boren had. Foster-Milburn Co., Props., Buffalo, N. Y.—(Adv.)

STATE IS AROUSED TO THE SITUATION

Call of the Red Cross Enlists Support of Men and Women of All Classes as Helpers

EDINBURG AS AN EXAMPLE

People With Wealth Will be Asked \$1 For Each \$1,000 of Their Possessions

Indianapolis, June 18.—Reports to Red Cross headquarters, flashed from every part of Indiana these last few days, show that the whole state is aroused to the stupendous task of raising \$1,500,000 this week—Indiana's share of the \$100,000,000 fund for war relief work.

"We have got to get the money" is the cry of the Red Cross leaders. "We have got to raise millions for defense now or hereafter pay billions for tribute," is the slogan of Red Cross orators who are storming the state from the lakes to the Ohio River. Some will conduct membership campaigns in connection with the special drive for the \$1,500,000 goal. Director Arthur F. Bentley estimates that the Red Cross membership in Indiana outside of Indianapolis, is fully 125,000. The Red Cross spirit burns intensely in a number of towns of the state. In two hours last week representative men of Batesville went out and raised \$1,200. Patriotic citizens of Evansville have notified headquarters they expect to make \$100,000 that city's record. While Indianapolis has set its goal at \$300,000, H. W. Elvidge, city campaign leader, believes the "drive" will bring in \$400,000.

The call of the Red Cross has enlisted the support of men and women of all classes in the state as willing helpers. Bankers, merchants, mechanics, farmers in every part of Indiana have volunteered to do team work in soliciting funds. A sample of Red Cross enthusiasm is reported from Aurora, Dearborn county, where seventy-two working teams have been organized. Fraternity lodges, social clubs and church congregations will take part in the drive there. Edinburg with a population of 2,800, proposes to contribute \$2,800, equaling one dollar per head for each inhabitant. The manner of taking the donations, is left pretty much to each local organization and Edinburg offers a rather unique plan. The town and township is fairly blazing with flaming posters demanding that every one must give. Those who have wealth tied up in property, in bond securities or banks, will be asked for \$1 for each \$1,000 of their possessions. Those holding clerical positions and professional men will be expected to contribute \$1 for each \$100 of yearly salary. Every laboring man will be asked for one day's wages.

Each city in Indiana will be expected to raise funds equivalent to

FAVORS OTHER LEGISLATION

The "Bone-Dry Squadron of Indiana," backing the candidacy of Omer Hufford, the Shirley minister, for congress on the prohibition ticket, held a meeting on the public square Saturday afternoon at which time Mr. Hufford delivered an address. Hufford declared that if America is to play her part in the war's settlement she must go to the front with prohibition as a necessary step towards food conservation.

"The voice of the people" said Mr. Hufford, "should ring with power on prohibition, full suffrage, government ownership, war appropriations of big incomes, the application of civil service in all departments of government and anti-pork barrel legislation."

He urged his election in order to help accomplish these things. State Chairman Schmidt also addressed the meeting.

its total population or greater. National headquarters announces that not less than \$1 for every man, woman and child in the United States must be collected if the campaign for \$100,000,000 in America is a success. Subscriptions from ten cents to those running into millions of dollars are counted upon and are essential if the war relief work in America is to be put on the same plane in efficiency and resources as has been done by the Red Cross in other belligerent countries. One prominent Red Cross enthusiast puts it this way: "The man who grumbles at taxes and at the call to subscribe will do well to keep in mind that if France and Russia and England break down, he will be paying everything he has to German tax collectors the rest of his natural life."

RESOLUTION

Providing For the Construction of a Branch Sanitary Sewer in the City of Rushville, Indiana:

Be it resolved by the Common Council of the City of Rushville, Indiana, as follows:

Sec. 1. It is hereby declared to be of public necessity to construct, and that there shall, therefore, be constructed in said City a branch sewer and shall be of the kind and size located and constructed between the terminal point following:

Commencing at the corner of Washington and Second streets in the tight (8) inch sewer in the western division of the Main Sanitary Sewer System of Rushville, Indiana, thence west along the center line of the Lake Erie & Western (8) inch sewer to Oliver street, thence north along the center of Oliver street to the first alley north of Second street with an eight (8) inch sewer, thence on north along the center of Oliver street with a six (6) inch sewer to a point about fifty (50) feet south of Third Street in Rushville, Indiana.

Sec. 2. Said sewerage districts will affect all the land, lots and parcels of ground in the following boundary: Commencing at a point where the Lake Erie & Western Railway crosses the J. M. & I. branch of the P. C. C. & St. L. Railway, in Rushville, Indiana, thence north along the center line of the Lake Erie & Western Railway to Third street, thence in a westerly direction along Third street to the north-west corner of lot No. 165 in a part of R. G. Sexton's heirs addition to Rushville, Indiana, thence south along the alley that runs north and south between Oliver street and Hannah street to the southwest corner of lot No. 97 in said addition; thence east on the corner line of said lot No. 97 to the east side of Oliver street, thence south to the J. M. & I. railroad branch of the P. C. C. & St. L. railroad, thence in a northeast direction along the said J. M. & I. R. R. to the Lake Erie and Western Railway and to the place of beginning.

Section 3. On the 27th day of June, 1917, in fixed when the Common Council will receive and hear remonstrances from persons interested in or affected by the construction of said sewer, and will also hear and determine the question as to whether said district is properly bounded and as to whether special benefits to the several lots and parcels of land within said area and to said city by reason of said proposed improvement, will be equal to the estimated cost of said improvement.

Sec. 4. All of said sewers shall be constructed under the supervision of the City Engineer subject to the orders and direction of the Common Council and in accordance with the plans, profiles and specifications prepared therefor and now on file in the City Clerk's office, and which plans, profiles and specifications are hereby adopted for said sewer.

Sec. 5. The detail of said plans, profiles and specifications may be modified to avoid any unexpected obstruction in the construction or to accommodate any uses of abutting property wherein the judgment of the Council said details are inapplicable. Said sewer shall be constructed under contract, the contractor giving bond to the city with surety to the approval of the Common Council thereof, as required by law. And this resolution and the cost of said sewer to the amount of the benefits accruing therefrom shall be assessed against and collected from lots and parcels of ground and from the City when benefited, which shall hereafter be determined by the Common Council of said City. The contractor shall be paid for said work only from a special fund created by said assessments to the amount of the benefits, as aforesaid.

Sec. 6. Should any of said assessments be not paid into the city treasury within thirty (30) days from the time the same are adopted and approved by the common council, the same shall be entered and extended to the city's local assessments and duplicate and charged to the several lots and parcels of ground upon which they are assessed, which law provides.

By way of anticipating the payment of said assessments, the City of Rushville shall issue to the contractors or contractors in payment for said work, improvement bonds, payable only out of said special fund created by said assessments and bearing six (6) per cent interest per annum, payable semi-annually, as provided by law.

For the issuing of said bonds, the City of Rushville, by its Council, will adopt the proper ordinance authorizing the same when the amount of said deferred payments is ascertained.

Adopted and ordered by a two-thirds vote of the members of the common Council this 6th day of June, 1917.

CAMPAIGN OPENS IN THIS DISTRICT

First Speeches in Conquest For Congressional Office at Connersville and Knightstown

JOHNSON DECLINES TO COME

At Last Moment California Senator Finds it Impossible to Speak For G. O. P. Candidate

Connersville, Ind., June 18.—The active fight of the sixth district republicans to have R. N. Elliott of this city chosen to represent the district in congress at the election on June 26, will start here tonight with an address by United States senator W. L. Jones of Washington. At the same time United States Senator Charles Curtis of Kansas will speak at Knightstown in behalf of Elliott. Republican party leaders will make addresses in the district practically every day until the election is held.

Finly H. Gray, democratic nominee, has also mapped out a stringent campaign. National party leaders will aid Gray. A great deal of literature has already been distributed throughout the district.

The first speech of the campaign will be given in this county Tuesday evening at Carthage when Senator Jones will deliver an address.

Senator Warren G. Harding will make the only republican speech of the campaign here next Friday night. On the following day he will speak at Brookville. P. J. Lynch will speak at New Salem Wednesday night.

According to a dispatch Sunday from Washington, Senator Fernald of Maine will make three republican speeches in the district, two of which will be in this county. He will speak at Shirley next Thursday at Milroy next Friday and at Glenwood next Saturday.

The same dispatch says that Senator Johnson of California, who was to speak at Richmond this week, has

NEW COLONEL IS ELECTED

Thirty-one members of Company No. 35 Uniform Rank, Knights of Pythias, attended the annual memorial and inspection services of the Third Regiment at Richmond Sunday. As usual the local company had the largest attendance outside of the Richmond lodge. The regiment was inspected by Col. Adolph Biecard of Indianapolis and Gen. W. B. Gray of Covington, Ind., reviewed the regiment. Addresses were made by Gustave Hoelscher and Will A. Bond, attorneys of Richmond.

In the election to name a successor of the late Col. Jameson of this city, Major E. P. Holmes of Connersville won out over W. A. Alexander of this city. The meeting next year will be held in Connersville.

At a meeting of the colonels it was decided for patriotic reasons not to have an encampment this year. The same mobilization plan as followed last year will be followed. The Uniform Rank will go into camp at the state fair grounds during the grand lodge meeting.

Milroy Sets Example for Rush to Emulate

True to Her Reputation for Doing Things, Community at Red Cross Meeting Sunday Night Subscribes \$2,565—Twenty-five Persons Giving \$50 Each, Eight \$35 and Twenty-four \$25.

BOOSTERS SET GOAL AT \$4,000 TODAY

Meetings at Gowdy, Plum Creek, Glenwood Mark Red Cross Activities—Canvassers Busy

True to her reputation for doing big things, Milroy Sunday night set a pace hard to follow in the county's Red Cross War Relief campaign, which opened today, by subscribing \$2,565 to the fund.

Thrilled by the immensely fine showing they made at last night's meeting, Milroy Red Cross workers started out this morning to make the fund from Milroy and vicinity \$4,000.

The following facts stand out in the wonderful outburst of patriotic generosity which was manifested:

The sum subscribed—\$2,565—is more than three times the Milroy auxiliary's apportionment.

The subscriptions were made by ninety-nine persons.

Twenty-five persons gave \$50 each.

Eight persons gave \$35 each.

Twenty-four persons gave \$25 each.

The remainder of the subscriptions were \$20, \$15, \$10 and \$5.

None under \$5 were asked for.

It was reported at the meeting there was 495 members of the Milroy auxiliary and more than enough members were quickly enrolled to raise the membership to 500.

The Milroy meeting does not represent the Red Cross activity over Sunday by any means. In practically every pulpit in the county an appeal for Red Cross relief was made at one or the other services, an auxiliary was formed at Plum Creek and special meetings in the interest of the War Relief fund were held at Gowdy and Glenwood.

Twenty-five persons were present at the meeting at the Plum Creek church, the crowd being small because of many other things in that vicinity yesterday afternoon. Eighteen joined the Red Cross and the following officers were elected: Will McMillin, chairman and treasurer; Mrs. Ada Billings, vice-chairman; Mrs. Grace Kennedy, secretary. The Rev. C. M. Yocum and E. B. Thomas addressed the meeting.

A. L. Gary, Judge Will M. Sparks and the Rev. W. M. Whitsitt addressed the meeting at Gowdy, where there are a number of members affiliated with the Orange township auxiliary located at Moscow. The meeting was held in the Methodist church. The township was organized for the War Relief campaign by dividing it into districts and canvassing teams will see every person in the township.

Judge Sparks and Mr. Gary made the appeal for the Red Cross War Relief at a mass meeting in the Glenwood M. E. church last night following a Childrens' day program. That community promises to come up with its share.

The meeting at Milroy last night which electrified the whole county by its wonderful response, was held at the school house auditorium, which was packed with people. Addresses were made by Mr. Thomas and Robert E. Mansfield.

Frank McCorkle, who has been

one of the active Red Cross workers in the community, conducted the meeting when the money was being raised. It was due to his personal work and that of Claude Crane that the meeting was so largely attended. They went over the whole of Anderson township and told every person what the meeting was for and what Anderson township wanted to do. Much of the success of the Milroy campaign is also due to Wylie McKee, the Anderson township member of the county chapter's board of directors, and his host of helpers.

Several musical numbers were given and in the midst of the meeting Milroy Scouts gave a flag drill and recited Wilbur D. Nesbit's poem, "Your Flag and My Flag," which was a very inspiring thing.

Numbered among the more than five hundred members of the Milroy auxiliary are the oldest member and youngest member in the county, as has been recounted before, as well as the one family which has more members in the Red Cross than any family in the county. It is the family of Joe Green which bears this distinction, and nine of them have joined the Milroy auxiliary. Several other families in the county are going to try to surpass this record.

The campaign became active here in Rushville today when several teams started on their work. Inquiry was made this morning about Judge Sparks and it was found that he was out bright and early this morning with his canvassing team going over the territory assigned to them.

WOMEN ORGANIZE TO PRESERVE FOOD

Each Township Chairman to Appoint
Committee Who Will Dry and
Can Excess Produce

DEMONSTRATION HERE IN JULY

Each member of the women's county food conservation committee, at the meeting Saturday afternoon, was appointed to represent her township and was given the power to appoint other members of her township committee, the number to be determined by each township. Each committee obligates its members to conserve all the excess food in the respective townships.

Anderson township, under the leadership of Mrs. Charles T. Davis, will enlist the service of girls to gather the supply and take it to homes of the committee members to be canned and dried for the use of American soldiers. In the fall when large amounts of fruit and vegetables are available, the products will be taken to the school houses and preserved by a number of women, who agree to work when the produce is brought in. This plan will likely be adopted in the other townships.

The Rushville township committee, headed by Mrs. W. M. Sparks and Mrs. R. L. Tompkins, will have a canning and drying demonstration by a Purdue expert at the Graham Annex July 19 and 20. The processes not thoroughly understood by women generally will be demonstrated. The demonstrations will be free to the public and it is hoped the women of the county will take the opportunity offered to learn.

131 SWORN IN; 3 MORE READY

Tom Price of Greensburg, a member of Company B, has passed his examination and will be transferred to the quartermaster corps. By his enlistment in the local company Price was able to take the examination, which he passed.

Counting the loss of Price the local company needs just sixteen men to complete the company to full war strength. Capt. Kiplinger hopes to obtain the required men before the week is over. Some of the officers will go to Connersville tonight on a recruiting campaign. The company now has 131 men sworn into service and three more awaiting to be sworn in.

The company will hold the usual Wednesday night drill in the city park.

of Connersville Struck by Un-
known Motorist East of Here

POLICE ARE LOOKING FOR HIM

DeBois is Crippled For Life and
Merrill Will be Several Weeks
Recovering From Injuries

Blinded by the lights of an approaching automobile and crowded off the road to a point eighteen inches from the grass line, Harold DeBois, 20 and Herbert Merrill, 19, both of Connersville, riding on DeBois' motorcycle, were struck by the auto and hurled into the ditch, receiving injuries. The driver of the automobile did not even stop to see what damage he had done and the police are looking for him.

The two young men were approaching the city from the east. The accident happened Saturday night about nine o'clock just east of the fair grounds. DeBois may be crippled for life as the result of the accident and Merrill will be many weeks recovering. DeBois' left foot was badly mashed. The bones in the arch of his left foot were broken and some of the small bones in the ankle were fractured. It may be that he will lose the foot.

Besides this injury he was badly bruised. Merrill sustained a blow on his upper lip and when brought here the lip was swelled so that he could not talk. The ligaments in one of his legs were torn so badly that he could not walk.

The men were rendered unconscious and were found at the side of the road by Will Morgan, who resides near the scene of the accident. How long they had been there is not known, but it is not believed very long as Mr. Morgan heard the crash and later the groans of the two men, and then investigated.

DeBois, the driver of the motorcycle, when he recovered consciousness, recalled that the driver of an approaching auto kept dimming and then shining his front lights and thus believes that the driver saw the men on the motorcycle. The motorcycle riders gave the machine plenty of room but the driver of the auto kept all of the road.

The left side of the motorcycle was badly damaged, showing that the auto struck the motorcycle a hard blow. The men were brought here where they received medical treatment and were taken back to Connersville on the last car Saturday night. Merrill, formerly lived in Shelbyville and has been working in Connersville for some time.

MRS. RACHAEL GINN DIES

Death Comes Today After Opera-
tion for Tumor and Complications

Mrs. Rachael Ginn, 44 years old, died this morning at three o'clock following an operation for tumor and a complication of diseases. Mrs. Ginn was the daughter of Mr. and Mrs. Josiah Bishop of this city and was widely known here, although having spent the last few years in Indianapolis. Besides her parents she is survived by four brothers, W. C. Bishop, Thomas S. Bishop, L. R. Bishop and Estelle Bishop of Indianapolis and one sister, Mrs. Greeley P. Mauzy.

The funeral services will be conducted Wednesday afternoon at two o'clock at the Josiah Bishop home, 1021 North Main street by the Rev. C. M. Yocum and burial will take place in East Hill cemetery.

A ten pound baby boy was born to the wife of Roy Evans Saturday. The baby has been named John Ferguson.

NONE BADLY HURT IN C. I. & W. WRECK

Injured Persons Are Brought Here
From Julietta Sunday and Sent
on to Destinations

STEEL COACHES SAVE LIVES

Broken Brake Rod and Not Spread-
ing Rails as First Thought is
Believed to be Cause

Despite the fact that five heavy coaches of the eastbound C. I. & W. passenger train due here at 3:40 o'clock left the track and turned over Sunday afternoon near Julietta no one was seriously hurt. The coaches were of steel construction which probably prevented a large death list.

The injured were all brought to this city and held here until a train could be detoured, and were then sent on to their destinations. The most seriously injured were:

Mrs. Emma Englebert, 47, 3419 Harrison street, Chicago, right arm bruised and shoulder injured.

A. J. Hamilton, 44, Connersville, right leg injured.

Mrs. Hilda Moebus, 20, Hamilton, Ohio, bruised on head and right hip injured.

The accident occurred a short distance west of Julietta. The train was running between 30 and 35 miles an hour. All of the coaches left the rails and turned over on their sides. They were scattered to the right and left along the track. The engine remained on the rails, giving rise to the theory that a broken brake rod caused the wreck and not spreading rails.

Investigators for the railroad company believe that had the rails spread the engine would not have remained on the track. Traffic on the train was light but even the few passengers on the train received only cuts and bruises. The flying glass did very little damage and the passengers sustained their bruises from being thrown against the sides of the car.

The train left Indianapolis at 2:35 o'clock and the accident occurred at about three o'clock. The west bound train leaving here at 2:30 o'clock ran up to the scene of the wreck and after first aid had been given those passengers needing medical attention, they were brought on to this city, arriving here about six o'clock last evening. A physician here made an examination of the passengers and found only the three, who required special attention. Mrs. Englebert's right arm was badly bruised but will not cause her any great amount of trouble. Hamilton, the Connersville man, was not so bruised that he could not walk. Many of the women suffered from the nervous shock.

Work of clearing the wreckage continued throughout the night and traffic was continued about noon today. Trains were detoured from this city to Greensburg over the Big Four.

NELLIE MULL, 14, IS DEAD

Daughter of Mr. and Mrs. J. Arnold Mull Expires in Walker Township

Miss Nellie Mull, 14 years old, daughter of Mr. and Mrs. J. Arnold Mull, died Sunday morning at six o'clock at the home of her parents in Walker township, following an illness from a complication of diseases. Several months ago she underwent an operation and for a time improved but for the past few days had been in a critical condition.

She is survived by her parents and several brothers and sisters. The funeral services will be conducted Tuesday afternoon at two

o'clock at the residence and burial will take place in East Hill cemetery.

DIES SUDDENLY ON SUNDAY

Mrs. Donald Mull Expires of Hemorrhage of The Brain

Mrs. Myra B. Mull, 27 years old, wife of Donald Mull, trustee of Walker township, died suddenly Sunday morning at five o'clock at her home in Homer from a hemorrhage of the brain. Mrs. Mull retired Saturday night apparently in her usual health and was awakened Sunday morning with a severe pain in her head. She died before medical attention could reach her. Coroner Green investigated.

She is survived by her husband and three children. The funeral services will be conducted Tuesday morning at ten o'clock at the late residence in Homer by the Rev. C. M. Yocum and burial will take place in East Hill cemetery.

REO

If Clean Hands Count— Then Reo the Fifth

IT TAKES ALL THE FUN out of a motoring trip when you have to fuss with a motor or transmission or an ignition system.

SOILED HANDS, soiled clothes, a ruffled temper—and you wish you hadn't gone.

REO OWNERS NEVER are seen tinkering with their cars on the road. Not even with tires. For Reos are made better—tired more liberally to ensure you against just that.

REOS are accessible to the last degree.

BUT ALSO THEY ARE so well and so carefully made you might own a Reo the Fifth for years without ever discovering that quality unless you read it in an ad.

FOR ALMOST NEVER do you need to get at a Reo part.

BUT IF YOU SHOULD ever need to make an adjustment or replace a part, you'll find you can do so with ease and expedition.

THE REO IDEA from the first was to make the most dependable automobile in the world.

THAT COULD BE DONE only by using the best of materials everywhere, and then making and assembling them with the utmost accuracy.

ASK ANY REO OWNER how long it is since he lifted the hood of his Reo—how often he has seen the inside since he owned his car.

HIS ANSWER will decide that question for you.

THE LOW UPKEEP cost of Reos—and Reo cars and trucks are famous for their low cost of upkeep as well as of operation—is due to the fact that they are made right in the first place and then to the ease with which any adjustment or replacement can be made.

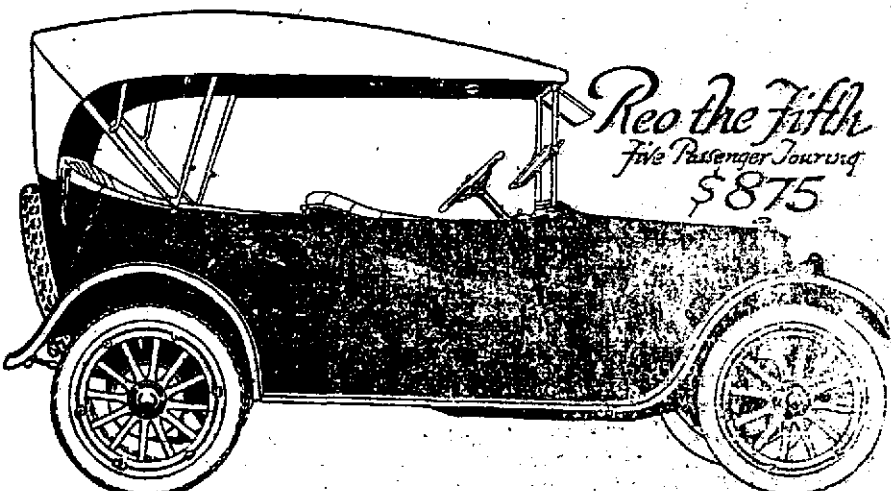

ASK REO OWNERS ALSO about dependability and gasoline economy.

THEN HURRY and place your order—for there won't be—can't be—enough Reos to go 'round.

Your Responsibility

Get this picture—let it sink in. Then sit down and determine what you are going to do about it. It's happening every day, every hour, every minute—when the big battles are on. It took him just as he went over the trench parapet—took him full in his bare and muscular throat. It was hardly bigger than those rubber erasers tinned to the end of lead pencils. But with the driving power of high energy behind its steel jacketed nose, it was an altogether competent and devilishly capable agent of destruction.

He lay quite a few yards ahead of the trench, where his rush had carried him. The morning drew toward noon. With night came the beginning of his torment. First it was thirst, then fever, then delirium. Always his spilling wound burned and throbbled. Even on the second night with the rain beating down upon him, it glowed like a kiln. By the third day his agony spoke in screams. A stretcher party found him and trundled him away, down through the line of Red Cross units, from dressing station to field base, eventually to Paris. He was French but he was fighting our fight. He was French but a few months from now his counterpart may be an American. There are bullets enough for all. He may be a boy you know, perhaps a neighbor's boy, even our own—fighting our fight. Will you help him, when our fight has broken him, to fight his? Will you help him when his young body and vivid force are spent and shattered, to retrieve what he may?

Every man, woman and child in Rush county can give this aid by

subscribing to the American Red Cross next week, when the big drive to raise \$10,500 for Red Cross work here at home and across the sea, begins. The American Red Cross is the wounded soldiers' true ally. It is his minister and guardian. It is his hope.

If you can only spare a dollar—give it. But make it five, ten, fifty or a hundred dollars if you are able. No limit is placed on the individual subscriptions. The appeal of the American Red Cross is put up to all the people—give what you can. If you can't go you can give. Those going are giving immeasurably more. Some must go but all must give.

Up To Us To Win

About the only danger that could threaten the success of our arms in the war upon which this country is launched would be a minimizing of the importance of the work before us.

After almost three years of war, after pouring out blood and treasure until nearly bankrupt in both, the allied nations yet seem almost as far from victory as at the beginning. Their leaders admit the terrible destruction wrought by the U-boats, and frankly rejoice that this country has elected to cast its lot with them, practically admitting that without our aid victory would still be far in the future.

Now that we are committed to the fray it should be our single aim to carry it to a successful issue. This will never be done by half hearted measures. What the allies need is material assistance—money, food and men. These we must furnish to the limit of our resources. We must pour money into their coffers; we must dispatch to their shores every pound of food not absolutely needed to sustain life here; we must send to France a tremendous army that, added to those of the allies, will by its sheer weight of numbers crush out all opposition.

Let our part in the war be short, sharp and decisive. We must prove ourselves AMERICANS, and not slackers.

Stands By First Amendment

The continued freedom of the press has a strong friend in Representative Edward E. Browne of Wisconsin, who believes that no man is wise enough to say how 100,000,000 of his fellow citizens shall speak or write. In the words of Mr. Brown "A republic flourishes on criticism, while a monarchy withers." Sound public opinion cannot be formed unless the people have access to the facts, and when a government bases its action on public opinion, that has been molded by those in power its judgment is worthless. Congressman Browne is impressed with the fact that the leading men of England have denounced the censorship that has been in effect there since the beginning of the war, and lay England's shortage of food, delay in preparedness, and defeats on the battlefield to that cause. Mr. Browne is determined to do what he can to prevent a repetition of those disasters in this country.

Tucson, Arizona, so far as is known, was the first city in the United States to raise its apportionment for the Red Cross War Relief. With only a population of 20,000, the city subscribed \$25,000 even before the campaign began. We are approximately the same number of souls in Rush county and we are asked to contribute \$10,500. Can't we do it?

Farmers will see that there is plenty of food produced in this country, but they cannot keep it out of the hands of the speculating hogs. Governmental action now will save trouble later.

A Barnacle: The fellow who won't fight, won't work, don't help the Red Cross.

We hear less these days of war brides. "War grooms" have been occupying the spotlight.

Women's bathing costumes this season are very fetching, but it requires a powerful telescope to find anything to fetch.

If prices continue their soaring we can go naked if need be, but we can't eat wind or wear air.

NO CELEBRATION FOURTH

County Council of Defense Votes Down the Proposal

The County Council of Defense unanimously voted down, at a meeting in the court house Saturday afternoon at four o'clock, a proposal to hold a celebration here the Fourth of July and formally present the flag to Company B of the Fourth Regiment, I. N. G. The decision not to hold a celebration of any sort was reached after it was found that former Senator Beveridge, who the council wanted to make the address, was in Massachusetts for the summer and could not come. A fund has been raised and a flag ordered for the company.

T. M. GREEN'S MOTHER DIES IN CALIFORNIA

Body Will Arrive Here Thursday Morning for Funeral and Burial Will be at Knightstown

LEFT THIS COUNTY IN 1897

Mrs. Elizabeth A. Green, age eighty-six years, widow of the late Samuel Green and mother of T. M. Green of this city, died Saturday morning at the home of her son, Rufus Green, at Stanford California, and the body will arrive here Thursday morning at six o'clock for the funeral and burial. Short services will be held at the home of Mr. Green in East Fifth street Thursday afternoon at 1:15 o'clock and the burial will take place in Knightstown where other members of her family are buried. Short services were held in Stanford Sunday.

Mrs. Green was born in Kentucky and moved to this county at the age of three years with her parents. Mr. and Mrs. Green at one time lived on the farm now owned by Augustus Winship and later moved to Center township. Mr. Green died twenty-one years ago last April and for the last twenty years Mrs. Green had been making her home with her son, who is a professor in Stanford university. Mrs. Green would have been eighty-seven years old September 12.

ROOSTERS NOT HONORED

Indianapolis Ind., June 18.—Roosters, for the first time in their history, have a week set aside and named after them. But "Rooster Week," which started today, isn't especially designed to honor the roosters. On the contrary its purpose is to have all poultry growers kill off their roosters in order that the summer supply of eggs may not be endangered. Each year thousands of dollars is lost in the egg supply of the state because the fertile eggs spoil soon after layed.

RED + CROSS

WAR FUND \$100,000,000

RUSH COUNTY'S QUOTA \$10,500

To Be Raised Week of JUNE 18th to JUNE 23rd

The President has appointed a War Council to handle and distribute this fund, the personnel of which guarantees an economic administration. The chairman of the War Council is Henry P. Davison of J. P. Morgan & Company of New York, and associated with him are men of the highest business and executive ability who are giving to the Government their time without remuneration of any kind.

This fund guarantees to the American soldiers in this country, and also in Europe, the highest degree of care and protection that skillful surgeons, physicians and nurses can give.

In order to assist the Rush County Chapter in raising \$10,500, the business and professional men of Rushville, whose names appear in the accompanying list, have agreed to give to the Red Cross two per cent of their cash business, and one per cent on all accounts collected during the week beginning Monday, June 18, and ending Saturday, June 23.

If you are contemplating any purchases in the near future, make them during this week.

If you owe an account to some business or professional man, whose name appears in the list, pay it during this week.

This generous offer involves no little sacrifice on the part of the merchants and professional men, and the people of Rush County should do their part by making liberal purchases, and in the payment of their accounts.

You will receive full value for your purchases, and at the same time contribute to this great humanitarian cause.

Mr. and Mrs. Ray Lakin are entertaining with an elaborate dinner party today at their beautiful home in North Harrison street, honoring Mrs. C. C. Goddell of Chicago. A color scheme of pink and white was carried out to the last detail in all of the decorations of the home. A huge bouquet of pink and white roses centered the beautifully laid table, on which the elegant three course dinner was served. The guests included Mrs. Goddell, Mrs. Grant Gregg and son Raymond, Miss Mary Jackson, Mrs. C. D. Lakin and John Moore.

The W. R. C. have arranged a most inspiring program for their meeting Wednesday afternoon at 2:30 in the assembly room of the court house, which is as follows: "America," in chorus; "Star Spangled Banner," by Mrs. Derby Green; paper by Mrs. Frank Jones; reading, "Dram Corp," by Russell Perin; recital, "The Young Army," by four little boys; reading by Mrs. Lewis Steffy; "God be With You Until We Meet Again," sung in chorus. The benediction will conclude the program. The public is cordially invited to attend.

Honoring her eighth birthday, Jane A. Megee, assisted by Katherine Blount, Dorothy Wheeler and her sisters, Edna Anna May and Imogene Megee, entertained with a birthday party, this afternoon at her home in West Eighth street. A color scheme of red and white was carried out in the rooms, and a large birthday cake lighted with eight red candles was used to center the dining table. Red candles in crystal

holders marked the places for the following guests: Katherine Green, Olive Logan, Laurett Abercrombie, Margaret Webb, Mililine Cross, Elizabeth Wagoner, Jesse and Ruth Allen, Dorothy Blount, Eleanor Stiers, Martha Wyatt, Francisca Sherman, Katherine Blount, Dorothy Wheeler, Mary Frances Spivey, Joe Ed Dickman, and Carroll Gantner. After the splendid luncheon, the guests were entertained with games and contests.

? NOW WILL YOU LISTEN ?

The prices on buggies are advancing every day and there is no way to stop it. The only remedy is to buy where they have a supply that was purchased before any advance was placed on them. I have the buggies and the price is the same as it was the first of the year. Do you want to save some money on a buggy? If you do, see me. Then again I want you to listen—I have two cars of storm buggies bought. One car will be in about July 1st, and they are the well and favorably known, Zimmerman line, the one line of buggies that no dealer can tell you is not the best to be had. The Zimmerman buggy is the best built buggy and has been for years, and is well known in Rush County, and every man that ever owned a Zimmerman buggy will tell you they give satisfaction. The price I am able to quote you on these storm buggies will interest you, but don't wait until these are sold before you investigate the proposition. Come in now, we have a sample on the floor and will take your order for one and you can get it any time.

A SAFE TEST
For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Rushville people.
Mrs. Lizzie Boren, 840 W. 9th St., Rushville says, "About six years ago I began to have trouble with my kidneys. The kidney secretions were very annoying in passage and the trouble kept getting worse. Doctors said it was gravel but none of them ever did me any good. A short time ago I heard of how someone else was cured by Doan's Kidney Pills, so I got a box at Wolcott's Drug Store. They helped me and I kept on using them. I have taken four boxes so far and the pain has left and I feel a great deal better."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Boren had. Foster-Milburn Co., Props., Buffalo, N. Y. (Adv.)

STATE IS AROUSED TO THE SITUATION
Call of the Red Cross Enlists Support of Men and Women of All Classes as Helpers
EDINBURG AS AN EXAMPLE
People With Wealth Will be Asked \$1. For Each \$1,000 of Their Possessions
Indianapolis, June 18.—Reports to Red Cross headquarters, flashed from every part of Indiana these last few days, show that the whole state is aroused to the stupendous task of raising \$1,500,000 this week—Indiana's share of the \$100,000,000 fund for war relief work.
"We have got to get the money" is the cry of the Red Cross leaders. "We have got to raise millions for defense now or hereafter pay billions for tribute," is the slogan of Red Cross orators who are storming the state from the lakes to the Ohio River. Some will conduct membership campaigns in connection with the special drive for the \$1,500,000 goal. Director Arthur F. Bentley estimates that the Red Cross membership in Indiana outside of Indianapolis, is fully 125,000. The Red Cross spirit burns intensely in a number of towns of the state. In two hours last week representative men of Batesville went out and raised \$1,200. Patriotic citizens of Evansville have notified headquarters they expect to make \$100,000 that city's record. While Indianapolis has set its goal at \$300,000, H. W. Elvidge, city campaign leader, believes the "drive" will bring in \$400,000.
The call of the Red Cross has enlisted the support of men and women of all classes in the state as willing helpers. Bankers, merchants, mechanics, farmers in every part of Indiana have volunteered to do team work in soliciting funds. A sample of Red Cross enthusiasm is reported from Aurora, Dearborn county, where seventy-two working teams have been organized. Fraternity lodges, social clubs and church congregations will take part in the drive there. Edinburg with a population of 2,200, proposes to contribute \$2,500, equating one dollar per head for each inhabitant. The manner of taking the donations, is left pretty much to each local organization and Edinburg offers a rather unique plan. The town and township is fairly blazing with flaming posters demanding that every one must give. Those who have wealth tied up in property, in bonds, securities or banks, will be asked for \$1 for each \$1,000 of their possessions. Those holding clerical positions and professional men will be expected to contribute \$1 for each \$100 of yearly salary. Every laboring man will be asked for one day's wages.
Each city in Indiana will be expected to raise funds equivalent to

SAYS PROHIBITION IS A WAR MEASURE
Omer Hufford, Prohi Candidate For Congress, Speaks When "Bone Dry Squadron" Visits Here
FAVORS OTHER LEGISLATION
The "Bone-Dry Squadron of Indiana," backing the candidacy of Omer Hufford, the Shirley minister, for congress on the prohibition ticket, held a meeting on the public square Saturday afternoon at which time Mr. Hufford delivered an address. Hufford declared that if America is to play her part in the war's settlement she must go to the front with prohibition as a necessary step towards food conservation.
"The voice of the people" said Mr. Hufford, "should ring with power on prohibition, full suffrage, government ownership, war appropriations of big incomes, the application of civil service in all departments of government and anti-pork barrel legislation."
He urged his election in order to help accomplish these things. State Chairman Schmidt also addressed the meeting.

RESOLUTION
Providing For the Construction of a Branch Sanitary Sewer in the City of Rushville, Indiana.
BE it resolved by the Common Council of the City of Rushville, Indiana, as follows:
Sec. 1. It is hereby declared to be of public necessity to construct, and that there shall therefore, be constructed in said City a branch sewer and shall be of the kind and size located and constructed between the terminal point following:
Commencing at the corner of Washington and Second streets in the tight (8) inch sewer in the western division of the Main Sanitary Sewer System of Rushville, Indiana, thence west along the center of Second street with an eight (8) inch sewer to Oliver street, thence north along the center of Oliver street to the first alley north of Second street with an eight (8) inch sewer, thence on north along the center of Oliver street with a six (6) inch sewer to a point about fifty (50) feet south of Third Street in Rushville, Indiana.
Sec. 2. Said sewerage districts will affect all the land, lots and parcels of ground in the following boundary: Commencing at a point where the Lake Erie & Western Railway crosses the J. M. & I. branch of the P. C. C. & St. L. Railway, in Rushville, Indiana, thence north along the center line of the Lake Erie & Western Railway to Third street, thence east along Third street to the north-west corner of lot No. 105 in a part of H. G. Sexton's heirs addition to Rushville, Indiana, thence south along the alley that runs north along Oliver street with an eight (8) inch sewer to the southwest corner of lot No. 97 in said addition, thence east on the south line of said lot No. 97 to the east side of Oliver street, thence south to the J. M. & I. railroad branch of the P. C. C. & St. L. railroad, thence in a northeast direction along the said J. M. & I. R. R. to the Lake Erie and Western Railway and to the place of beginning.
Section 3. On the 17th day of June, 1917, is fixed when the Common Council will receive and hear remonstrances from persons interested in or affected by the construction of said sewer, and will also hear and determine the question as to whether said district is properly bounded and as to whether special benefits to the several lots and parcels of land within said area and to said city by reason of said proposed improvement, will be equal to the estimated cost of said improvement.
Sec. 4. All of said sewer shall be constructed under the supervision of the City Engineer subject to the orders and direction of the Common Council and in accordance with the plans, profiles and specifications prepared therefor, and now on file in the City Clerk's office, and which said plans, specifications are hereby adopted for said sewer.
Sec. 5. The detail of said plans, profiles and specifications may be modified to avoid any unnecessary obstruction in the construction or to accommodate any uses of abutting property wherein the judgment of the Council shall be applicable. Said sewer shall be constructed under contract, the contractor giving bond to the city with surety to the approval of the Common Council thereof, as required by law. And this resolution and the cost of said sewer to the amount of the benefits accruing therefrom shall be assessed against and collected from lots and parcels of ground and from the City when benefited, which shall hereafter be determined by the Common Council of said city. The contractor shall be paid for said work only from a special fund created by said assessments and bearing six (6) per cent interest per annum, payable semi-annually, as provided by law.
Sec. 6. Should any of said assessments be not paid into the city treasury within thirty (30) days from the time the same are adopted and approved by the common council, the same shall be entered and extended to the city's local assessments duplicates, and charged to the several lots and parcels of ground upon which they are levied, which law provides.
By way of anticipating the payment of said assessments, the City of Rushville shall issue to the contractors or contractors in payment for said work, improvement bonds, payable only out of said special fund created by said assessments and bearing six (6) per cent interest per annum, payable semi-annually, as provided by law.
For the issuing of said bonds, the City of Rushville, by its Council, will adopt the proper ordinance authorizing the same when the amount of said deferred payments is ascertained.
Adopted and ordered by a two-thirds vote of the members of the common Council this 9th day of June, 1917.
CARL L. GUNNING, City Clerk.

Senreco
The double-service tooth paste,
keeps teeth clean AND GUMS HEALTHY.

Appreciations from dentists who have personally proven Senreco. Names on request.

Birmingham, Alabama, Mar. 20, 1917.
I am using Senreco myself. Gums have improved wonderfully.

Rochester, N. Y., Feb. 7, 1917.
I find Senreco a great help in my work.

Chicago, Ill., Mar. 10, 1917.
I find by twelve months' personal use and from my observation of results obtained from the use of Senreco that soft, spongy gums which fail to respond to other treatments have at once shown marked improvement.

Philadelphia, Pa., Jan. 22, 1917.
Senreco actually improves the condition of the gums by reducing inflammation. I highly recommend it.

Columbus, Ohio, Oct. 20, 1916.
I find Senreco very beneficial.

Chicago, Ill., April 7, 1917.
I am using your excellent tooth paste in my home and the other members of my family have given up their old-time favorites for Senreco.

Buffalo, N. Y., Oct. 15, 1916.
Am well pleased with Senreco—so are my patients.

New York City, Mar. 27, 1917.
Senreco is the best tooth paste in use this day.

CAMPAIGN OPENS IN THIS DISTRICT

First Speeches in Conquest For Congressional Office at Connersville and Knightstown

JOHNSON DECLINES TO COME

At Last Moment California Senator Finds it Impossible to Speak For G. O. P. Candidate

Connersville, Ind., June 18.—The active fight of the sixth district republicans to have R. N. Elliott of this city chosen to represent the district in congress at the election on June 26, will start here tonight with an address by United States senator W. L. Jones of Washington. At the same time United States Senator Charles Curtis of Kansas will speak at Knightstown in behalf of Elliott. Republican party leaders will make addresses in the district practically every day until the election is held.

Finly H. Gray, democratic nominee, has also mapped out a stringent campaign. National party leaders will aid Gray. A great deal of literature has already been distributed throughout the district.

The first speech of the campaign will be given in this county Tuesday evening at Carthage when Senator Jones will deliver an address.

Senator Warren G. Harding will make the only republican speech of the campaign here next Friday night. On the following day he will speak at Brookville. P. J. Lynch will speak at New Salem Wednesday night.

According to a dispatch Sunday from Washington, Senator Fernald of Maine will make three republican speeches in the district, two of which will be in this county. He will speak at Shirley next Thursday at Milroy next Friday and at Glenwood next Saturday.

The same dispatch says that Senator Johnson of California, who was to speak at Richmond this week, has

This is Red Cross Week

Rush County's share of the immense sum being raised for the American Red Cross is \$10,500.

Everyone should subscribe to this fund as liberally and as quickly as possible so that by next Monday those in charge of the campaign may report their work finished with Rush County holding a place of honor among the other counties of the state.

Buy Lumber and Help

The Red Cross

If you are contemplating any purchase of building material, hardware, glass or paint, you could not buy at a better time than during the week of

Monday, June 18 to Saturday, June 23

because 2% of all cash receipts and 1% of all accounts collected during this week will be given to the Red Cross to assist them in raising their quota of \$10,500, which is Rush county's proportion for the relief of soldiers going to France and also for our allies.

Anyone contemplating the purchase of lumber this year would not only help the Red Cross, but would save actual money by buying now as another advance in price is coming soon. All purchases made during this week and paid for will be held for future delivery.

31 MEMBERS OF IVY CO. NO. 35 ATTENDED

Have Largest Attendance Outside of Richmond at Annual Third Regiment Memorial

NEW COLONEL IS ELECTED

Thirty-one members of Company No. 35 Uniform Rank, Knights of Pythias, attended the annual memorial and inspection services of the Third Regiment at Richmond Sunday. As usual the local company had the largest attendance outside of the Richmond lodge. The regiment was inspected by Col. Adolph Biecard of Indianapolis and Gen. W. B. Gray of Covington, Ind., reviewed the regiment. Addresses were made by Gustave Hoelscher and Will A. Bond, attorneys of Richmond.

In the election to name a successor of the late Col. Jameson of this city, Major E. P. Holmes of Connersville won out over W. A. Alexander of this city. The meeting next year will be held in Connersville.

At a meeting of the colonels it was decided for patriotic reasons not to have an encampment this year. The same mobilization plan as followed last year will be followed. The Uniform Rank will go into camp at the state fair grounds during the grand lodge meeting.

ATTEMPTS TO DODGE A BOY

Ed Finnerman of Indianapolis Runs Into Carl Nipp's Machine

Automobiles driven by Carl Nipp from this city headed by the Odd Indianapolis collided Saturday night in West Third street, resulting in damage to both machines. The occupants of both cars escaped. Finnerman attempted to dodge a boy playing in the street and collided with the Nipp machine. The accident occurred near the bridge over Hodges branch.
